The Limon Education Foundation solicits funds and reviews requests for funds in the following six areas: Performing & Visual Arts, Academic Support, Athletics, Facilities Improvements, Undesignated Funds, and Endowments which stipulates that the principal be invested and remain intact. The funds will be used to improve the educational experience and quality of the students of the Limon School District RE-4J

INSTRUCTIONS: Requests for Funds should be returned to the Superintendent's Office where they will be reviewed to see if they can be funded through district funds. A request that is not covered by district funding will be forwarded to the Limon Education Foundation for its review. They meet in August, September, November, February, & May of each year.
