

# Thank you for supporting Limon education!

★ ★ ★ ★ ★ ★ ★ ★ ★ ★ Spring 2024

Wow, 18 whole years! That’s how long the Limon Education Foundation (LEF) has been successfully supporting the Limon School District in educational projects and materials above and beyond those budgeted by the District. As prices continue to go up for everything in our economy, so do educational materials, equipment, technology needs ... the list goes on and on! Those are all of the things our staff, teachers, and students need to be productive and successful. The LEF is proud to be able to help support funding of projects that meet these needs.

**You play a direct role in ensuring the ongoing success of all students in the Limon School District.** A healthy giving program sends the message that our community is worth our investment. We appreciate you and your support. You can support LEF online or by using the tear-off portion of this letter to mail in your **tax-deductible donation** today!

## Give to LEF Online

Make contributions online at your own convenience by simply going to our website, [LimonEducationFoundation.org](http://LimonEducationFoundation.org) and clicking to donate online through the [ColoradoGives.org](http://ColoradoGives.org) link. This program allows you to bestow a one-time donation, setup monthly gifts or give donations in honor or memory of a friend or loved one.

## Save the date: August 17, 2024 LEF Plant Sales Fundraiser Front Range Gardens, Broomfield, CO

Front Range Gardens is hosting a fundraiser for LEF on National Nonprofit Day, August 17! The Foundation will receive 10% of all sales from those who come in a say they are with LEF.

Save the date and address today, and plan to shop on August 17!

10195 Wadsworth Blvd  
Broomfield, CO 80021

## Mission Statement

The Limon Education Foundation is a 501(c)(3) non-profit corporation organized exclusively for charitable and education purposes. It will endeavor to promote, develop and organize fund-raising activities to benefit and sustain the fulfillment of educational needs within Limon School District RE-4J.
